

LIST OF STUDENT CENTRIC METHODS USED FOR ENHANCING LEARNING EXPERIENCES

SR	NAME OF THE STUDENT CENTRIC METHOD	YES/NO	ACTIVITIES
MEDICAL COLLEGE-UG-MBBS			
1	Experiential learning	Yes	a) Hands on training in Simulation Skill lab, Cadaveric Bioskills lab, Departmental laboratories. b) Hands on training for various clinical procedures c) Field visits d) Case studies e) Seminars
2	Integrated/Inter-disciplinary learning	Yes	a) Vertical and horizontal integrated teaching b) Faculty helps to acquire attributes of a clinician and medical ethics to be imbibed in day-to-day clinical practice c) Centralized clinical meetings d) Clinic-pathological correlations
3	Participatory learning	Yes	a) Group discussions b) Case discussions c) Clinical meetings d) Student Seminars e) Reflection f) Conferences g) Assignments h) Debates i) Film making j) Quiz competition k) Students led objective tutorials l) Multimedia and teleconference m) During internship period the students participate in health and blood donation camps n) Disaster management in floods o) Community outreach activities p) Swachh Bharat Abhiyan
4	Problem solving methodologies	Yes	a) Journal Club b) Clinical case diagnosis c) Drug information

5	Self-directed learning	Yes	a) LMS on Moodle Platform-Computer assisted learning through-resources b) Microsoft teams c) Access to books, reference books, journals, e-resources available in the central library
6	Patient-Centric and Evidence based learning	Yes	a) Regular clinical postings in-OPD, IPD, OT, Casualty, Trauma care b) Clinical procedures c) Postings in rural and urban health centers d) Clinical presentations e) Bed-side clinics f) Basic life support g) Advance cardiac life support h) Clinical conferences
7	The Humanities / Holistic Personality Development	Yes	Students are coached in a) Communication skills b) Interpersonal relationship c) Professionalism d) Gender sensitization e) Interpersonal skills f) Stress management g) Time management h) Value based education through Bioethics i) Social sensitization and awareness
8	Project based learning	Yes	a) Scientific paper writing b) Research projects-ICMR-STS projects c) Large group case study d) BITMER Certification e) Student Seminar Groups
9	Role paly	Yes	a) Skit b) Street Plays c) Film making d) Celebration of various days
MEDICAL POST-GRADUATE COURSES-MD/MS			
1	Experiential learning	Yes	a) About 80-85% experiential learning in PG teaching b) Two days postgraduate orientation program by MEU c) Hands on training in Laboratories, Wards, OT, Casualty, ICUs for medical, nursing students, interns and PG students

			d) Surgical skills training is given in the Simulation Lab. Cadaveric Bioskills lab e) Simulation-based training for endoscopy, 2D-ECHO f) Workshops conducted by all surgical departments with live demonstration of various surgical procedures. g) Research Methodology workshop
2	Integrated/Inter-disciplinary learning	Yes	a) Centralized clinical meetings b) Clinic-pathological correlations c) Horizontal integration d) Vertical Integration e) Interprofessional Educational practices f) Interprofessional Collaborative Practices
3	Participatory learning	Yes	a) Participation in State, National and International Conferences b) Poster and Paper presentation c) Journal club d) Peer Learning e) Group Tutorials f) Debates g) Focused Group Discussions h) Seminars i) Guest lectures j) Webinars
4	Patient-Centric and Evidence based learning	Yes	a) Clinical training at Hospital b) Critical case discussion c) ICU duties d) Minor OT procedures e) Regular ward duties f) Health Camps g) Simulation-based scenarios h) POEM
5	Project based learning	Yes	a) Dissertations/ Thesis b) Scientific paper writing c) Poster Presentation d) Platform Presentation
6.	Work Place Based Assessment	Yes	a) Mini CEx b) Multi Source Feedback c) 360 degree Feedback
7.	Field visits	Yes	a) Community Health Camps

			<ul style="list-style-type: none">b) Industry visitsc) Home Visitsd) Community testinge) Primary Health Care Centersf) Urban Health Care Centersg) School Health Camps
NURSING			
1	Experiential learning	Yes	<ul style="list-style-type: none">a) Hands of practice of all nursing proceduresb) Adequate skill training with mannequins, simulatorsc) Field visits as per the requirementsd) Case studiese) Seminarsf) Workshops-Research Methodology, Teaching learning Strategiesg) Exhibitions-Antenatal diet and therapeutic diet
2	Integrated/Inter-disciplinary learning	Yes	<ul style="list-style-type: none">a) Vertical and horizontal integrated teachingb) Faculty helps to acquire attributes of a professional nurse and nursing ethics to be imbibed in day-to-day clinical practice
3	Participatory learning	Yes	<ul style="list-style-type: none">a) Seminarsb) Group discussionc) Assignmentsd) Debatese) Conferencesf) Quiz competitionsg) Students led objective tutorialsh) During internship students participate in health and blood donation campsi) Disaster management in floodsj) Community outreach activitiesk) International webinarl) Unnat Bharat abhiyanm) Participation in State and National Conference
4	Problem solving methodologies		<ul style="list-style-type: none">a) Journal Clubb) Clinical case diagnosisc) Drug information
5	Self-directed learning	Yes	<ul style="list-style-type: none">a) LMS on Moodle Platform-Computer assisted learning through-resourcesb) Microsoft teams

			c) Access to books, reference books, journals, e-resources available in the central library
6	Patient-Centric and Evidence based learning	Yes	a) Direct patient care b) Regular clinical postings in OPD, IPD,OT, Casaulty, Trauma care. c) Basic life support d) Advance cardiac life support e) Clinical presentations f) Clinical logbook g) Nursing rounds h) Bedside clinics i) Internship posting involving management and administration in nursing care.
7	The Humanities / Holistic Personality Development		Students are trained in- a) Communication skills b) Interpersonal relationship c) Professionalism d) Gender sensitization e) Interpersonal skills f) Stress management g) Time management h) Value based education through Bioethics
6	Project based learning	Yes	a) Research projects for 3 rd year B.Sc. Nursing students b) Group research projects for 2 nd year PBBSC nursing students c) MSc Nursing students have individual research project and dissertation
7	Role play	Yes	a) Skit b) Celebration of various days
BPTH-PHYSIOTHERAPY			
1	Experiential learning	Yes	a) Demonstration of clinical skills b) Hands on practice for various procedures in hospital c) Hands on training in laboratory and dissection hall
2	Integrated/Inter-disciplinary learning	Yes	a) Vertical and horizontal integrated b) Clinical correlation
3	Participatory learning	Yes	a) Group discussion b) Seminars c) Webinars d) Debates

			e) Quiz programs f) Reflection g) Direct and online learning
4	Problem solving methodologies	Yes	a) Case studies b) Case resolutions
5	Self-directed learning	Yes	a) LMS on Moodle Platform-Computer assisted learning through-resources b) Access to books, reference books, journals, e-resources available in the central library
6	Patient-Centric and Evidence based learning	Yes	a) Posting of students in various clinical specialty areas b) Patient management c) Clinical log book
7	Project based learning	Yes	a) UG research projects b) Patient related assignments
8	Role play	Yes	a) Preclinical training b) Communication c) Interpersonal relationship d) Street Plays e) Awareness Walks f) Mime
9	Field Visit	Yes	a) Camps b) Industry c) Health care Sites d) Sanitation sites e) Hospital Visits
ALLIED HEALTH SCIENCES			
1	Experiential learning	Yes	a) Industry based assignments b) Charts and model making c) Role play
2	Integrated/Inter-disciplinary learning	Yes	a) ODC-Out door catering
3	Participatory learning	Yes	a) Group discussion b) Seminars c) Webinars d) Debates e) Quiz programs f) Reflection g) Direct and online learning

D. Y. PATIL EDUCATION SOCIETY KOLHAPUR

(INSTITUTION DEEMED TO BE UNIVERSITY)

(Deemed to be University Declared u/s 3 of the UGC Act 1956 vide Notification No. F.9-26/2004- U.3 dt. 01-09- 2005 of the GOI)

NAAC 'A' Grade

4	Problem solving methodologies	Yes	a) Situation handling
5	Self-directed learning	Yes	a) LMS on Moodle Platform-Computer assisted learning through-resources b) Access to books, reference books, journals, e-resources available in the central library c) Self-Study
6	Patient-Centric and Evidence based learning	Yes	a) Clinical Postings b) Laboratory posting c) OT duties d) Radiology Department posting
7	Project based learning	Yes	a) To prepare the project on subject allotted
8.	The Humanities / Holistic Personality Development	Yes	a) Communication Skills b) Foundation of Learning c) Grooming & Etiquettes d) Ethics e) Professionalism
CENTRE FOR INTERDISCIPLINARY STUDIES			
1	Experiential learning	Yes	a) a) Industry based assignments b) Charts and model making
2	Integrated/Inter-disciplinary learning	Yes	a) Vertical and horizontal integrated with other constituent units
3	Participatory learning	Yes	a) Group discussion b) Seminars c) Webinars d) Debates e) Quiz programs
4	Problem solving methodologies	Yes	a) Research work b) Internship c) Industry collaborations
5	Self-directed learning	Yes	a) Research projects b) Seminars c) Noble Laureates Lecture Series
6	Patient-Centric and Evidence based learning	Yes	a) Scientific methodologies and protocols in Animal house, Laboratory
7	Project based learning	Yes	a) Research Projects in curricula
SCHOOL OF HOSPITALITY
