

CAMPAIGN ON UNIVERSITY RESEARCH & TRAINING

COURT 2017

D.Y.PATIL UNIVERSITY, KOLHAPUR

D. Y. Patil Education Society, Kolhapur

(Deemed to be University established u/s 3 of UGC Act 1956)

Accredited by NAAC with 'A' Grade

Venue: Padmashree Dr. D. Y. Patil Hospital & Research Centre, Kadamwadi, Kolhapur

Date : 18 th February, 2017

Preamble:

We are indeed very happy to celebrate the successful decade of the D. Y. Patil University, Kolhapur established on 01 st September 2005 as declared by Ministry of Human Resources Development on the recommendation of University Grants Commission under section 3 and UGC Act 1956. The University has been declared as 'A' Grade with CGPA 3.09 by the National Assessment and Accreditation Council (NAAC), in 2012. The University has received many awards such as "Best University Award 2013" by the Europe Business Assembly-the club of Rectors of Europe on 2013 at Oxford (UK), "Campus Preparedness Award" on 2015 by Higher Education, Pune, "CCI Technology Education Excellence Awards-2015" by CMAI Association of India. In order to undertake the frontier level research in the field of Medical and Allied Sciences the University has established the Centre for Interdisciplinary Research with thrust on Nanotechnology and its applications in Health care and planet care. The Centre also offers Interdisciplinary studies research programmes (Ph.D./M.Sc.) leading to medical research in advance areas. The University has signed many more MOUs for Collaborations with National & International Institutes. The University has completed many research projects funded by various Govt. agencies like CSIR, DRDO, DST, BRNS and DBT.

The D.Y.Patil University is basically a Health Sciences University and it has adopted the policy of intensification of research in various branches of medical and allied sciences, in addition to its teaching and extension activities. In fulfillment of this, the University has not only encouraged its faculty but also P.G. (MD/MS/ M.Sc.) Students to do research right from first year of admissions and their research is monitored and evaluated continuously for all three years of the tenure of their study by organizing "Campaign on University Research & Training (COURT)" activity conducted on 18th February of every year. The 1st and 2nd year students make the presentation on their topic of research for PG thesis in the form of posters, while the final year students report their results in the platform presentation. In addition, the final year P.G. students are made compulsory to write a research paper based on their PG thesis in prescribed format for its publication in Research Journal. To begin with, the University has provided the platform of its own publication in "Medical Journal of D.Y.Patil University".

Thus, the publication of research paper by the student is an integral part of curriculum of the PG Course. This program in research training of how to write the research papers to be published in the international journals is an innovative. This is a noteworthy exercise of our University, which has helped in attracting young medical doctors and researchers to medical and interdisciplinary research. The members of editorial board of the journal have strictly followed the reviewing procedure with the help of experts in the field, and the quality of the journal is maintained. The journal has resulted into the mirror image of the research work carried out in the University and the papers published therein are referred by many others. We are very happy to let the readers know about the outcome of our efforts which has resulted into featuring the research papers from our University researchers in "Top 20 Publications" at global level. In addition to the involvement of PG students in research, the UG students also have got sanctioned STS fellowship from ICMR, Delhi. The University is also running full time Ph.D. programs in five different areas of Medical & Allied sciences under the umbrella of "Centre for Interdisciplinary Research". This is an excitement and proud to every PG student to participate in research publications based on their PG thesis.

Objectives:

The University is organizing "Campaign on University Research and Training" (COURT) on 18th February every year since 2008 with the following objectives:

- i) To monitor and develop the quality of PG & Ph.D. research work.
- ii) To strive for quality research and quality proposals.
- iii) To acquaint with various innovative methodologies of frontier research.
- iv) To maintain globally the standard of the Degrees of the University.
- v) To develop research attitude among the students.
- vi) To encourage faculty & students for publishing Research Papers.

PROGRAMME

The tentative programme shall be as follows:

8.30am to 9.00am	Registration
9.00am to 1.00pm	Platform Presentation by Final Year Pgs a) Pre and Para Clinical Department Hall-A b) Clinical Departments Hall-B
1.00pm to 2.00pm	Lunch
2.00pm to 4.00pm	Poster Presentation by 1 st & 2 nd Year PGs a) Pre & Para Clinical Departments b) Clinical Departments Poster Presentation by M.Sc./Ph.D./Research students
4.00pm to 5.00pm	Annual Meet of D.Y.Patil University, Kolhapur

EVALUATION CRITERIA

Evaluation Criteria	Particulars	Marks
Poster Presentation	a) Quality of Poster (Appearance)	10
	b) Explanation of Poster	20
	c) Related knowledge judged by Ques. & Ans.	20
	d) Substance of Study	20
		<u>70</u> ^{Total}
Oral Presentation	a) Overall Confidence & Study of Presentation	15
	b) Quality of power point preparation	15
	c) Related knowledge judged by Que. & Ans.	20
	d) Substance of Study	20
		<u>70</u> ^{Total}
Remaining 30 Marks for	a) Attendance in Conference	10
	b) Presentation in Conference	10
	c) Publication if any	10
		<u>30</u> ^{Total}
		100 ^{Total Marks}

COURT 2017
