

## **CAMPAIGN ON UNIVERSITY RESEARCH AND TRAINING (COURT)**

Conducted at our University for over a decade, it forms part of the core of CRP program . Each year on the 18<sup>th</sup> February, 140-150 PG students present their research works through posters or platform presentations are evaluated and awarded by an eminent panel of referees in different categories. Talk on research-related topic is also conducted.

### **Evidence of Success:**

- Number and quality of publications by PG students sourced from their work have increased.
- More Prizes won by PG students at state and national level conferences.
- Keen sense of competition among students to pursue innovative research.
- In last four years 600 PG students have participated in this program.
