

D.Y. PATIL EDUCATION SOCIETY
[Deemed to be University], Kolhapur
Re-accredited by NAAC with 'A' Grade

GENDER AUDIT REPORT

01-01-2022 to 31-08-2022

D. Y. Patil Education Society
(Deemed to be University), Kolhapur

**GENDER AUDIT REPORT OF
D. Y. PATIL EDUCATION SOCIETY, KOLHAPUR
(INSTITUTION DEEMED TO BE UNIVERSITY)**

01-01-2022 to 31-08-2022

Vision

- To become a world class dynamic institution of education research & training to develop globally competitive, professional and socially responsible human resource.

Mission

- To ensure globally relevant quality higher education and skill enhancement for providing required trained manpower to the nation & the world.
- To promote symbiotic relations with industry, academic and research institutions and community to meet the expectations of various stakeholders.
- To engage in interdisciplinary research and innovate for furtherance of knowledge, technology and growth.
- To put in place dynamic technocracy for effective use of emerging trends in curriculum development, andragogy, evaluation and system management.
- To provide an environment for holistic evolution of the learners as human, socially responsible and conscious of sustainable ecosystem.

Goal

University to be recognized as one of the top institutions of higher learning in the next decade and achieve global recognition.

About Institute

The D. Y. Patil Education Society Deemed University for past 17 years has strived to match global, national and local expectations and demands. Established as a health sciences university in 2005, it started offering interdisciplinary programs in 2009 and lately multidisciplinary programs responding to NEP 2020 call. The ten verticals of UGC adopted Quality Mandate 2018 provide a framework of quality education in the university. Accreditations by NAAC in 2012 & 2017 (A Grade), NABH (2020), NABL (2020) and ISO-9001:2015 (2021-2024) evidence our commitment to quality as do registration with NAD, Shodhganga, introduction of electives courses and increasing interdisciplinary courses.

A multilevel, multidimensional educational system is preserved through statutory, non-statutory bodies that comply with our Vision, Mission in a transparent and accountable manner. Operationalization of quality measures is a fundamental objective and commitment. Inclusivity, democracy, participative governance, decentralization are embodied in multiple nodes of decision making, stakeholder representation and using feedback as integral to progress. This allows a sentient, responsive and adaptable system of governance. Introduction of modern management techniques with qualified professionally trained administrators ensures pro-activeness that matches global pace of change. Resource mobilization from government and non-governmental sources promotes engagement with local, regional and national community in spheres of research, healthcare, and education. Recent Quality initiatives have included Updated Examination Manual to accommodate recent developments, IT Audit, updated IT policy, Green Audit, Energy Audit, Gender Audit, Academic and Administrative Audit, International Seminars on Bioethics and Emerging Quality Perspective in Higher Education (EQUIP-HE) I & II.

The COVID-19 pandemic highlighted our commitment to equity and accessibility to healthcare and social accountability. We transformed our 800-bedded hospital to a COVID-19 Hospital, collaborated closely with district authorities and established NABL accredited RT-PCR Molecular Biology Lab. COVID work included screening of over 38000 patients, 14000 in Flu OPD, testing 51000 RTPCRs, managing over 3361 admissions, over 1500 ICU patients. The total number of deliveries was 1301 out of which 95 were covid positive patient deliveries either by normal or caesarean section, 97 Mucormycosis patients operated were unique services provided. Community Counselling & Survey services in Kolhapur district covered 18,293 families and over 75000 patients. Subsidized or free treatment to quarantined and admitted patients, creation of much-needed 250 Oxygen beds, procurement of HFNOs, additional ventilators, provision of PPE to healthcare workers, home visits for diagnosis of COVID, training of stakeholders, over 130 prevention & promotional initiatives were activities. 138 Community Health camps were conducted and total number of beneficiaries was 19,367.

Digital technology is a campus reality. The University established State-of-the-Art, high-fidelity Simulation and Skill Centre, far-exceeding regulatory requirements that provides enriched learning ground with 19 Advanced Patient Simulators, and 51 training models. The 17 invited and 28 Core faculty, conducted 676 workshops with 7239 beneficiaries. The campus Wi-Fi,

Integrated LMS, Central and Departmental Digital Libraries, Smart Boards, Visualizers, etc ensure high usage of e-resources, AV-teaching aids, Uploaded LMS lectures. Familiarity with technology facilitated smooth shift to Microsoft Teams, Zoom based online teaching, WhatsApp Groups, Mobile proctoring, online assessments, online mentoring and general student connectivity. Curricular addition of MOOCs added to collaborative convergence of humans and machines.

Health sciences programs (MBBS, MD, MS, Nursing, Physiotherapy) have in-built Employability. Skill-based allied health sciences under graduate programs with high industry demand were started in 2020 (B.Optomety, BSc in OT Technology, Medical Lab Technology and Radiography & Imaging Technology). Innovative MSc programs in Medical Physics, Medical Biotechnology and Stem Cell & Regenerative Medicine offer launching pads to students for doctoral research progression, international opportunities, and cutting-edge innovation. Fellowships in Medicine and PhD in interdisciplinary, basic and clinical sciences provide for training of professionals in niche specialties improving healthcare for local population and for nation.

PG, Doctoral and Faculty research last year have yielded h-index of 47 with 11 awarded and 34 published Patents, 11 granted copyrights, 125 UGC CARE/SCOPUS publications, 19 books, book chapters and proceedings. Research projects funding from Government/NGOs/Industry/University ensure smooth governance and research promotion. Strict plagiarism guidelines and use of Turnitin software underlines the university dictate of academic integrity, transparency, and professional accountability. Research facilities like the Advanced Instrumentation Facility, Central Research Laboratory, Stem Cell Laboratory, Animal House, Molecular biology Lab, RICH Cell and the APJ Abdul Kalam Incubation Centre have provided opportunity to host DST-Inspire Fellow, DST Ramanujan Fellow, 6 Start-Ups ongoing as well as winning the awards like SERB-TETRA award for technology transfer and National Innovation Award by MOE, Winner at Maharashtra Startup Yatra. Online Research Methodology workshops and Dnyanshodh, Campaign On University Research & Training (COURT), Second MBBS Alliance for Research & Training (SMART) and Anveshan were conducted for students.

Faculty Development is supported through organization, resources, awards, incentives and finances, ensuring capacity building and self-improvement. An active Medical Education Unit (upgrading to department) regularly conducts FDP in collaboration with IQAC. Use of Swayam and other MOOCs are encouraged with many faculty registering last year.

Curricular innovations utilise Learning Outcome-based Curriculum Framework and the Competency-based Medical Education principles to strengthen our graduate attributes, program specific and program outcomes, course outcomes, which provide the learning outcomes for our graduates. These are aligned to the specific skills to be attained by graduates supported by short-term certificate courses to provide quick employability. To encourage self-directed learning, its deliberate inclusion in timetable, provision of A-V resources, use of online platforms and social media like WhatsApp for teaching, discussion and mentoring have nurtured creativity, innovation and problem solving in teaching-learning. Industry and NGO collaborations contribute to curricular enhancement. Graduate outcomes across programs are reflected in significant

progression to higher education amongst graduates. Communication Skill lab activities ensure professionalism and social readiness of graduates.

Value orientation of students for ethical practices to develop future leadership is strengthened with a new NCC Unit, NSS Unit, Bioethics Unit and 27 Value Added courses. An active Student Wing provides information & training to peers and community through short videos, international seminars, research work and participation. Celebration of National Vigilance Week, Republic Day, Independence Day, Mahatma Gandhi Jayanti, Doctors' Day, Teachers' Day, Nurses Day, Constitution Day, Savitribai Phule Jayanti, Chh. Shivaji Maharaj Jayanti, Rajarshi Chh. Shahu Maharaj Jayanti, Swami Vivekananda Jayanti, etc. on campus and online are other activities. The University Moral Guidance Scheme provided students support as does the Counselling Centre, Entrepreneurship Cell, Career Orientation and Counselling, Anti-Ragging cell, Internal Complaints Committee (ICC), Women Development Cell (WDC). Average Student Faculty and student mentor ratios of 10 ensures personal attention. 80 extracurricular activities were conducted to engage students during the year. Alumni contributions, regular interactions, participation in governance provide essential perspective for improvements through registered Alumni Association.

ENABLING INFRASTRUCTURE

D. Y. Patil Education Society (Institution Deemed to be University), Kolhapur has very facilitating environment for education especially for women. All the infrastructures of the University are gender friendly and friendly for otherwise abled. If it is assessed on the basis of availability of washrooms, cleanliness, ramps etc. this becomes very clear.

- All Departments and Administrative Building equipped with Clean Ladies Washrooms, 24/7 Security and CCTV Cameras
- Infrastructure for Persons with differently abled
- Teaching-Learning Facilities are made available
- Ladies Hostel

**ALL DEPARTMENTS AND ADMINISTRATIVE BUILDING EQUIPPED WITH
CLEAN LADIES WASHROOM**

There are adequate number of toilets in the building with 24 hours water availability and daily cleanliness facility. In the Departments, students movement is maximum; hence there is a great deal of need to have clean toilets and complaint box. Following Table illustrates the availability of both. University campus is protected by high compound wall on all sides. There is availability of security posts at every entrance gate with adequate security guards who work in shifts. Security personnel are appointed at important and sensitive places.

Similarly following committees are in place, for creating healthy and fearless atmosphere on the campus:

COMMITTEES

Internal Complaint Committee

Sr. No.	Name	Designation
1	Senior Woman Faculty Dr. Mrs. Ashalata D. Patil, Professor and Vice-Principal, D. Y. Patil Medical College, Kolhapur	Chairman/ Presiding officer
2	Teaching faculties 1. Dr. Vishrabdha Pawar, Professor, Department of Pathology 2. Dr. Mrs. Vaishali Gaikwad, Professor, Department of Surgery 3. Mr. Sunil Kumar Awate, Professor, Nursing College 4. Dr. Suhas Kulkarni, Asso. Professor, Department of Pediatrics 5. Dr. V. S. Vatkar, Asso. Professor, Department of Microbiology	Member Member Member Member Member
3	Three students one each from UG, PG and Research Scholars 1. Mr. Jaywant Rajaram Kumbhar (1 st Year M.Sc. Medical Physics) 2. Ms. Pratiksha Uday Patil (1 st Year B.P.Th.) 3. Ms. Pooja Kadam (1 st Nursing)	Member Member Member
4	One Member from NGO Dr. Amar Adake, President, Maitrey Pratishtan	Member

Anti Ragging Committee

Sr. No.	Name	Designation
1	Vice-Chancellor	Chairperson
2	Teaching Faculties 1. Dr. V. R. Wagh, Professor, Department of Medicine 2. Dr. Sunita Patil, Assistant Professor, Department of Pharmacology 3. Dr. Meghnad Joshi, Associate Professor, CIR 4. Mr. Amos Talsandekar, Associate Professor, D. Y. Patil College of Nursing, Kolhapur	Member Member Member Member
3	Student Representative General Secretary	Member
4	Non-Teaching representative Mrs. Shweta Ambildhok, Sr. Clerk, Administration, D. Y. Patil University, Kolhapur	Member
5	Community Representative Dr. Mrs. Kshama Kulhalli, Professor & Head, Vice-Principal, D. Y. Patil College of Engineering, Kolhapur	Member
6	A member for NGO Adv. Badkar	Member
7	Dr. V. V. Bhosale Registrar	Member-Secretary

Gender Sensitization and Women Development Cell

Sr. No.	Name	Designation
1	Dr. Archana Dhawalshankh, Professor and Head, Department of Pharmacology	Chairperson
2	Dr. Nivedita Patil, Professor, Department of Pediatrics	Member
3	Dr. Indumathi Somasundaram, Assistant Professor, Stem Cell & Regenerative Medicine, CIR	Member-Secretary
4	Mrs. Janaki Shinde, Professor, Nursing	Member
5	Dr. Arun Karmalkar, Associate Professor, Department of Anatomy	Member
6	Dr. Ashutosh Potdar, Associate Professor and Head, Department of FMT	Member
7	Mr. Ananda Bandgar, Lab Technician, Department of Anatomy	Member
8	Mrs. Sarita M. Choudhary, Front-Desk-Executive	Member
9	Mrs. Ujjwala Methe, Accountant, D. Y. Patil Hospital, Kolhapur	Member
10	Ms. Vedangi Pramod Patil, MBBS	Member
11	Mr. Sanchit Bele, Nursing	Member

Grievance Redressal Cell

Sr. No.	Name	Designation
1	Dr. Bipin M. Tiwale, Professor & Head, Department of Biochemistry, D. Y. Patil Medical College, Kolhapur	Chairperson
2	Mrs. Manisha Bijapurkar, Professor and Vice-Principal, Nursing, D. Y. Patil College of Nursing, Kolhapur	Member
3	Dr. Mrs. Ashwini Jadhav, Assistant Professor, Center for Interdisciplinary Research	Member
4	Dr. Jeevankumar Yadav, Professor, Department of Community Medicine, D. Y. Patil Medical College, Kolhapur	Member
5	Mr. Sanjay P. Jadhav, Deputy Registrar, D. Y. Patil Medical College, Kolhapur	Member
6	Dr. Pallavi Potdar, Associate Professor, Department of Community Medicine, D. Y. Patil Medical College, Kolhapur	Member-Secretary

Anti-Discrimination Cell

Sr. No.	Name	Designation
1	Dr. Anil B. Kurane, Professor and Head Department of Pediatrics, D. Y. Patil Medical College, Kolhapur	Chairman
2	Dr. Arvind Gulbake, Assistant Professor, Center for Interdisciplinary Studies	Member-Secretary
3	Dr. Mansing Ghatage, Professor, Department of Surgery, D. Y. Patil Medical College, Kolhapur	Member
4	Mrs. Rajashree Krushnat Nirmal, Lab, Technician, Department of Biochemistry, D. Y. Patil Medical College, Kolhapur	Member
5	Mrs. Manisha Bijapurkar, Professor and Vice-Principal, Nursing, D. Y. Patil College of Nursing, Kolhapur	Member

ACTIVITIES

- **International Women’s Day Celebration”**

The department of physiology conducted International Women’s Day competition for 1st year MBBS students on 8th March 2022. Total 115 students attended the event. All faculty members were present. Event was organized by Dr. Mrs. Amruta Kumbhar Assistant Professor in the department. Theme : “Gender equality today for sustainable tomorrow”

Students were informed regarding the competition few days before and were asked to participate in this competition. The response from the students was overwhelming but due to the time constraint we selected only 6 participants and 3 students for compering of the competition as follows:

Sr No.	Names of the students
1	Miss. Kruti Patel
2	Mr. Swaraj Patil
3	Miss. Anupama Singh
4	Mr. Avnidhar Mishra
5	Miss. Utkarsha Magar
6.	Mr. Niranjan Kadam
7.	Miss. Jidnyasa Bhoir - Compering
8.	Miss. Rucha Bhandwalkar- compering
9.	Miss. Jayshree Das- compering

Students were asked to prepare their PowerPoint presentation related to the theme. On the day of competition, all the participants presented their presentations with full energy and enthusiasm. Participant’s performances were evaluated by the faculty members of the Physiology department. On the basis of evaluation criteria. Based on evaluation result, first 3 best presentations were given the prizes and the certificate of participation were given to all the participants.

At the end, faculties shared their thoughts on Women’s Day celebration and interacted with students.

At the end of the session online Feedback about the overall conduct of the event was taken from the students, data was analyzed. Copy attached.

FEEDBACK FORM ANALYSIS

Sr. No.	How well were these areas addressed?	Strongly Agree %	Agree %	Disagree %	Strongly Disagree %	No Opinion %
1	The slides built my interest in the presentations	45	48.8	1.6	3.9	0.8
2	The slides were well designed	39.5	49.6	5.4	4.7	0.8
3	The presentations were coherent with the theme	18.6	54.3	20.2	2.6	4.7
4	Presentations were well conceived	34.9	55	4.7	4.7	0.8
5	Students spoke clearly on the topic	33.	52.7	7	5.4	1.6
6	Students personal presentation style created interest	24	36.4	29.5	7.8	2.3
7	Presentations were well delivered	24.8	29.5	38	5.4	2.3
8	Overall presentations were interesting and engaging	23.3	33.3	31	10.1	2.3
9	Use of Audio visual material	17.1	29.5	40.3	9.3	3.9
10	Presenter had good understanding of the topic	17.8	25.6	31	13.2	12.4

- International World Women's Day 2022**

Celebration of International World Women's Day 2022 Health Talk On - Health Problems of Adolescent girls on 08-03-2022 at D. Y. Patil Educational Campus, Gargoti, Tal. Bhudargad, Dist. Kolhapur. Objective of To give information about health problems of adolescent girls, menstrual cycle & hygiene to be taken during menstrual period.

Dr. Pallavi Potdar, Associate Professor, Department Community Medicine has discussed “Health problems of Adolescent girls” the lecturer was appreciated by the audience. In the interactive session the questions raised were satisfactorily answered

No. of participants- 04

No of Beneficiaries – 200

• **INTERNATIOAL WOMEN’S DAY**

COLS Training Gargoti

BLS training for Sanitation/ASHA workers

- **Health Education Session**

Health Education session was organized at Urban Health Training Centre on 10th March 2022 for mothers attending antenatal clinic. LMO Dr. N. U. Sant & Interns gave health education which consisted of Importing knowledge about ways to monitor growth of their child to parents With the help of poster & chart, errand parents monitoring growth and its presence in normal range was explained to the parents of immunization children. Normal Height and weight at different ages of the infant child <5 years was shown

No. of Beneficiaries – 25

- **Safe Motherhood Day**

On the occasion of safe motherhood day on 11th April 2022, Department of obstetrics and gynecology celebrated the event by performing short speech, skit and dance in order to educate people about the maternal care and regarding safety of motherhood and making them aware through the skit. The event was unique and catchy for the patient’s relative and other paramedical staff. We displayed the posters stating importance of maternal care. The programme was attended by the Medical Superintendent, all department faculties, PG and UG students, interns, paramedical staff nursing, patient and patient’s relatives. The four pillars of safe motherhood like antenatal care, postnatal care, contraception and safe abortion care well explained by Dr Sangeeta Desai. No of participants: Faculty-11, Residents-15 and Interns -15.

International Day to elimination of violence against women

Celebration of International Women's Day

Title	International Women's Day
Date	8/3/2022 (9:30 AM To 10:30 AM)
Name of Resource Persons	RJ Sheetal (Radio city)
Name of Faculty Coordinator	Mr. Vishal Narkhede
Venue	School Of Hospitality
Objectives	To understand role of today's Independent Women in society.
Description	A celebration was organised to mark the International Women's Day. The event was conducted under guidance of all faculties. The classroom was decorated well. All female Faculties and students were cordially invited to be part of this program.Beautiful Cake made by Bakery Chef. Our guest RJ Sheetal given speech on Independant women in society. Homemade chocolates and snacks and beverages were served to all. Thanking speech given by Mrs. Shilpa M.
Outcome	This celebration brought un, Happiness, entertainment, knowledge and sense of unity among all.
No. of participants	40

Activity Name : Rajmata Jijau Smruti Din

Title	Rajmata Jijau Smruti Din
Date	17/6/2022 (11:00 AM to 1:00 PM)
Name of Resource Persons	R. S. Patil
Name of Faculty Coordinator	Mr. Suraj Yadav
Objectives	To understand the Culture of Maharashtra. To understand great history of Rajmata Jijau and Chhatrapati Shivaji Maharaj.
Description	This programme organised by year 1 and Year 3 students. Chief Guest R. S. Patil., D. Y. Patil School of alied Health Science, Principal Mr. Bardeskar were given their speech on this occasion. This programme is organised to mark Death Anniversary of great Rajmata Jijau, Mother of Chhatrapati Shivaji Maharaj. Students played tribute to her with small roleplay on birth Of her son. Students were dressed up in Maharashtrian traditional look. After this they had quiz competition on their history.
Outcome	Students understood history about great leaders like Rajmata Jijau and Chhatrapati Shivaji Maharaj.
No. of participants	24

Participation in Quiz

Name of Student	Date	Title of achievement / recognition / award
Dr. Sahana Narayanswamy	20 th to 28 th January 2022	RACE CME
	2 January 2022	Respicon 2022 national CME
Dr. Srashti singh	28 th to 30 rd January 2022	RACE conference
Dr. Tulika Anand	4 th to 6 th February 2022	E-Dermacon Jaipur E-Poster Presentation
	12 th February 2022	Resimed Kn Derm Session 75 Quiz Winners
	26 th February 2022	Resimed Kn Derm Session 77 Quiz Winners (Top 05)
	27 th February 2022	Rare Disease Day CME
	20 th June 2022	Vitiligo E-Symposium
Dr. Ruchi Sheta	11 th June 2022	Resimed Kn Derm Session 89 Quiz Winners (Top 05)

**Gender Audit Report of the Committee visit to
D. Y. Patil Education Society, Kolhapur. (Institution deemed to be University)**

“The External Gender Audit of D. Y. Patil Education Society, Kolhapur (Institution Deemed to be University) was conducted in order to enquire and personally see whether the gender perspective has been prioritized through the inclusive approach i.e. including the gender perspective through the general policies, program, projects or services delivered along with the special efforts made by the institute towards achieving the targets and goals.

The enquiry was made on the basis of the indicators that include gender perspective in terms of progress by way looking into the extent to which gender integration has fostered the inclusion of women and whether benefits to women men involved by the organization planning/policies/programs /projects/services by way of looking into whether Gender equality has been mainstreamed in high level policy objectives.

Along with this, an attempt is made to understand as to how far this enquiry to an understanding whether the efforts of the institution has led to closing the gender gaps, and that women benefit equally visa vis men or whether they are in accordance to their gender needs; it is also necessary to look into the fact that inequalities are not perpetuated and that the goals and indicators include gender perspective in terms of progress towards gender equality.

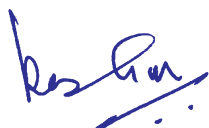

The following are the ‘Best practices’ followed by the University which can be considered to be the basis of adjudging the practice of maintaining gender equality The Gender Audit conducted by the Committee, indicates that the Institution has made serious efforts towards achieving the goal of gender equality through the following activates and actions were taken thereby;

1. Anti-Ragging, Internal Anti – Sexual Harassment Committee along with the contact details of each of the member official have been displayed through the boards. The manner through which the records have been maintained points out that the committees have been actively involved in their respective responsibilities. As per the requirement of achieving the objective of gender equality the institution has been able to display Boards related to the Gender equality.
2. The physical facilities are satisfactory as the University has the following provisions;
 - a) There is an Internal Complaints Committee.
 - b) The hostels for girls and women Research scholars are well secured 24/7 personnel and a full time Lady Warden and ladies staff.
 - c) The Health Centre has a Lady Medical Officer.
 - d) There are CCTV monitoring devices installed at major gates and Library. along with different locations within the campus.
 - e) The university teaching as well as non-teaching staff and higher authorities are easily approachable. The survey points out that the faculty has been dedicated and are

- easily approachable. This has resulted in Both – male and female students as well as the staff seemed to be gender sensitive.
- f) The mentoring system followed within the departments has helped in making the environment enabling girls' progression in higher education.
- g) The institutions has shown enough efforts towards Gender awareness campaigns and workshops which were organized for the students within the campus. This has definitely changed the biased outlook of the of the staff as well as the students
3. Financial support by way of Scholarships/funding projects as well as special provision for to the girl students and women staff, has been an indicator of encouragement to the women staff and girl students to undertake research projects which would nurture the women teachers and girl students through mentoring–driving the environment' enabling them towards progression in higher education.
 4. A provision of a Day care Centre for the children of the employees with attendants, to take care of the child
 5. Required physical facilities in the University campus which houses all Education departments and Administrative offices and the Ladies Hostel outside the campus – have been gender friendly, also addressing the issues of otherwise-able with alert security.
 6. By way of providing support to organize programs on gender issues, efforts are also made through gender sensitizing initiatives by the University
 7. A gender friendly environment within the classrooms as well as outside has led to the educational progress, due to the absence of hurdles.

Suggestions

1. Number of activities and initiatives for- Awareness of right of women and Gender sensitivity organized by the IQAC may be increased
2. Considering the large number of students, a post of Counselor needs to be created and a trained certified counselor needs to be recruited.
3. Hostel facilities for girls and women may be uplifted and updated as per the requirement of their safety.
