### **COMPETITION RULES FOR POSTER COMPETITION**

A poster reflects your creativity in a visually engaging way. They provide an avenue of communicating your thoughts, visions and understanding on the topic. They could be based on a scientific study on the theme or on a topic about which you wish to express yourself.

To do a poster presentation, you should prepare an “elevator speech” – a one to two-minute summary of your project that you could deliver to anyone during a typical elevator ride.

Poster Rules & Criteria:

1. Posters must be pertaining to topic as per dissection table.
2. All posters must be original work, prepared by the applicant(s) and not previously presented at any other competition.
3. Posters could be either artistic or scientific in nature.
4. All posters become the property of Department of Anatomy.

Poster Specifications: Presentation can be

- a. Horizontal or vertical – no greater than 2x3 feet.
- b. Border or non-bordered.
- c. Written legends, slogans, or phrases may be used.
- d. All colors and mediums can be used (markers, crayons, pastels, paint, print etc.).
- e. Original photography, magazine clippings, stencils, buttons; glue-on may be utilized
- f. Poster Text: There are no specifications for text/font size. Text should be of sufficient size for easy reading at a distance.

Judging Criteria:

- a. Coverage of Topic- The poster effectively conveys a topic based on the suggested themes.
- b. Organization/Sequencing of Ideas- Clear titles and subheadings. All graphics are related to the topic and facilitate understanding of the message.
- c. Layout & Design- All information is in focus and is easily viewed/ identified from a distance.
- d. Mechanics- No grammatical, spelling or punctuation errors.

Decision of judges is final and binding. All entrants agree to comply with the decisions of the panel of judges on all matters.

Subject: Report of Guest lecture

Respected Sir,

Over the period of time it was observed that students are coming up with various challenges during studentship like depression etc. So, to get the solution, to motivate and to encourage the students to continue their studies with good mindset, dept. of Physiology had organized a guest lecture on the topic "*STRESS ELIMINATION PROGRAMME*". The lecture was delivered by Guest Speaker Mrs. Romaji Motivational Speaker and faculty at EKAM foundation. Speaker was introduced to the audience by HOD Dr. Padmaja Desai.

1<sup>st</sup> year M.B.B.S students and the Faculty members attended the lecture. Out of 150 students 120 students were present. It was very interactive session. Speaker highlighted the concept of learning and relearning, management of emotional up -downs, how to cope up with the stress and discussed various issues. Lecture was appreciated by everyone. At the end Feedback was taken from the students. Forms were analyzed and it showed following results.
