4. University Profile:

The D. Y. Patil Education Society Deemed to be University (DYPESDU), Kolhapur strives to respond to principles advocated in the Vision and Mission since inception in 2005. Our commitment and sincerity are reflected in the A++ Grade awarded by NAAC this year with a CGPA of 3.53.

Various bodies of the University ensure operationalization with transparency, inclusivity, accountability and autonomy. Multi stakeholder participation, democracy, participative governance, feedback system, modern management, responsibility-appropriate appointments, fair appraisal systems and decentralization are integral to all decision-making processes. These enable an adaptable governance system allowing proactive responsiveness to global educational dynamics. Resource mobilization from government and non-governmental sources promotes active stakeholder engagement across research, healthcare, and education domains.

The founding constituent unit of the University was the D. Y. Patil Medical College that was established in 1989, and with time and evolution, a rationalized multi-tiered, multidimensional, multidisciplinary educational architecture emerged. Innovative interdisciplinary Masters' programs of Medical Physics, Stem Cell and Regenerative Medicine and Medical Biotechnology symbiotically coexist with traditional Undergraduate and Postgraduate programs in Medical, Nursing, Physiotherapy, Hospitality Studies, Pharmacy, Allied Health Sciences, Management, Engineering and Computer Application. All these programs have in-built, in-demand employability and entrepreneurship, pooling to meet national demand for expertise in niche areas. Highly demanded fellowship programs in medical discipline are also offered. Executive Development programs are joined by short skill-oriented Certificate Courses. PhD is offered in interdisciplinary subjects as also in Medicine, Pharmacy and Physiotherapy.

Adoption of the UGC Quality Mandate has facilitated the quality improvement journey, notable by 3rd cycle NAAC accreditation, NABH accredited 705 bedded tertiary care hospital, NABL-accredited Molecular Biology Laboratory for COVID testing (since 2020), ISO-9001:2015 Certification of the hospital, 97th in NIRF-2018 and in subsequent NIRF Ranking it is placed in 101-150 band. The Blood Bank NABH accreditation process has started.

The progressive measures of the NEP2020 have directed our active execution of mandates like National Academic Depository and Academic Bank of Credits.

Transparent, merit-based admission system meet regulatory guidelines and ascribe to principles of equity, diversity, and inclusivity, followed in all academic and non-academic processes. The functioning of Anti-Ragging Committee, Internal Complaints Committee, Gender Sensitization and Women Development Cell, Anti-Discrimination Cell and University Moral Guidance Scheme mentoring platform ensure culturally sensitive, unprejudiced interpersonal behavior. Sociocultural diversity is discussed, debated, and celebrated amongst stakeholders.

Curricular flexibility via CBCS, with multiple-entry-multiple-exit in non-statutory programs permits credit transfer. Emphasis on project-based training, industry-academia collaborations, skill training, research, and competency-based curricula provide industry readiness, international opportunities, doctoral and post-doctoral progression for students and cutting-edge research and innovation.

Holistic student development through curricular, co-curricular and extra-curricular activities and experiences are supported by high quality faculty. The latter are encouraged

by FDPs, support for ongoing education and research, incentivization, a fair bottoms-up appraisal system, transparent promotions as per regulatory requirements, and an open-door policy of authorities.

Cutting-edge research facilities include the Advanced Instrumentation Facility, Central Research Laboratory, Stem Cell Laboratory, CDSCEA approved Animal House, Molecular Biology Lab, and CDSCO registered Institutional Ethics Committee. The APJ Abdul Kalam Incubation Center has nurtured industry partnerships with (39) start-ups. Currently, the H-Index of the University is 62. During last five years, the evidence of our research capabilities, is also manifested in 65 patents, 52 copyrights, 729 publications, 29 books, 87 book chapters and 27 conference proceedings. Shodhganga, Shodhshuddhi and Vidwan Portal that guide national integrity and collaborative connections are used.

Entwinement of digitization and technology in academic and administrative functioning provides impetus for contemporary e-content development, improved time management and revamped online & AV learning resources. The Learning Management System, biometric attendance systems, a dedicated YouTube Channel, WhatsApp Groups, E-Content Development Room and staff, Digital Library, Language Labs, Computer Labs, QR Coded-learning resources, Smart Classrooms, Wi-Fi Campus, internet-enabled faculty training rooms, OPAC, are some of the technologies and platforms in use at the University. A state-of-the-art Simulation and Skill Centre provides near-experiential training, which strengthens skill training, teamwork, decision-making, and communication, protocols of emergency care, procedural mastery and upskilling, which enhance patient care and safety. Curricular flexibility, journals, logbooks, mentoring, academic feedback support competence and knowledge-acquisition. A robust Curriculum Committee, functioning Board of Studies, deliberative Academic Council, participative faculty, industry involvement, and regular syllabus revisions ensure that curricula meet industry needs and latest technical advances.

Some examination reforms include Continuous Internal Assessment, rationalization of assessment blueprints, provision of betterment exams, supplementary examinations, remedial measures, and revision sessions which supports potential learners. Weightage for research/project work, community activities, logbook, viva voce encourages different learning styles. Increased automation, enhanced data security, integrity of records, post-examination student and examiner feedback, are other new and established practices.

Community integration is intrinsic to student trainings and Institutional Social Responsibility through Family Adoption Program, Village Adoption Scheme, Unnat Bharat Abhiyaan, adoption of 4 PHCs, Rural Health Training Centre, School Health Program, regular community camps for general and specialty care. The Learner Doctor program, community-based projects, rural internships, street plays, skits and rallies, poster displays for public, community surveys are other avenues for student-society interactions. During the year, the university has conducted an impressive 150 health camp in and around Kolhapur benefiting 18440 people, many with limited healthcare access.

Student values provide foundational strength for their future. Bioethics Unit of the International Chair in Bioethics, Porto and its' active Student Wing play a pivotal role in disseminating information and training on bioethics. The NSS, NCC unit, active Student Clubs, Student Council, SNA chapter, representatives in university bodies are other nodes of student initiatives.

The imperative need to globalize is manifested in facilitating international student exchange, international exposure through visiting luminaries, international conferences and exploiting the alumni network.

The UGC-mandated Internal Quality Assurance Cell initiates quality efforts and provides direction, recommendations, templates, and protocols for implementation. Participation in accreditations and rankings, conduct of audits, monitoring, analysis and action on stakeholders feedback, review of policies and SOPs, streamlining of data journey and storage are some responsibilities alongside organizing trainings and events to instill a quality mindset.
