## **Preamble**

Higher education institutes were established to train students well in the branch/Department of admission, have a holistic outlook, and have a desire to work for the national needs and beyond. The graduation students must have knowledge and skills in the area of his/her study. However, he/she must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he/she would understand and fulfill his/her responsibility as a citizen and a human being.

## **Objectives of the Webinar**

- ✚ To understand the Important of Research Grand Writing
- ✚ To understand how to write a Research Grant Project

## **Outcome of the Webinar**

- ✚ Prof Rakesh K Mudgal: Participants clearly understood the Important and aim of the program
- ✚ Prof C. D. Lokhande (Session-1): Participants learned about the basics of various Research Grant projects.
- ✚ Prof C. D. Lokhande (Session-2): Participants Understood about the Research Grant project writing.

## **REPORT**

Internal Quality Assurance Cell and Research Guidance Cell, D.Y. PATIL EDUCATION SOCIETY, DEEMED TO BE UNIVERSITY, KOLHAPUR, has organized the “One-day workshop on Research Grant Writing” during 14<sup>th</sup> June, 2021. The main objective of this workshop was to discuss the basics of Research Grant Project Writing. The total 54 participants including Ph.D. students, PG students, faculty members of University attended the workshop in online (Microsoft Teams).

The workshop was inaugurated with Chief Guest, Hon’ble Vice Chancellor, Prof. Rakesh K Mudgal and Guest Hon’ble Pro-Vice Chancellor, Prof. Shimpa Sharma. Prof. C. D. Lokhande, Research Director briefed about the workshop. Hon’ble Vice Chancellor, in his inaugural talk expressed his ambition to create a world class research facility at D.Y. Patil Education Society, Deemed to be University, Kolhapur and shared his thoughts on basics of research. which is very useful for every stage of research. Dr. K. Mayakannan, coordinator, R & D, CIR concluded the inauguration function with vote of thanks.

The scientific session was started with first session on “Indian Patent Filling Session-I” by Prof. C. D. Lokhande, Research Director. Sir explained in details about the basics of various available funding agencies in India as well as foreign countries. After the lunch break the second session was started by Prof. C. D. Lokhande, Research Director. Sir talk was on the Research Grant project writing for various important funding agencies such as UGC, BRFST, BRNS, SRF and JRF etc. Sir clearly explained about the secrets in writing styles

We are thankful to Dr. V.V. Bhosale, Registrar, Mr. A Narayanswami, FO, Mr. S. Kole, FA for support, encouragement and hour to hour guidance. Last, but not the least, due to the efforts of IQAC, Research Guidance Cell members and CIR staff the workshop has turned to be a grand success.

The program was concluded with felicitation by Dr. K. Mayakannan

### **Preamble**

*Higher education institutes were established to train students well in the branch/department of admission, have a holistic outlook, and have a desire to work for national needs and beyond. The graduating student must have knowledge and skills in the area of his/her study. However, he/she must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he/she would understand and fulfill his/her responsibility as a citizen and a human being.*

### **Objectives of the Program**

- 1. To make aware MSc. Students and Researchers about Good Laboratory Practices*
- 2. To develop competitive excellence among student and train them to fitting need of industries and academic research institutes.*
- 3. To provide a platform to interact with experts from various fields of Interdisciplinary studies.*

### **Outcome of the Program**

- 1. Participants got exposure to interact with experts in the field of Interdisciplinary studies.*
- 2. Participants acquired different Good Laboratory Practices, Does and Don'ts while performing experiments in the lab.*
- 3. Participants acquired different safety measures while performing experiments in the lab.*

### **Report**

*In accordance with the objectives stated above, Department of Stem Cell and Regenerative Medicine and Department of Medical Physics, Centre of Interdisciplinary Research, has organized "Workshop on Good Laboratory Practices" on 06<sup>th</sup> February 2021.*

*This is the second consecutive year for the arrangement of Workshop activity and first time the workshop has arranged on "Workshop on Good Laboratory Practices". For this workshop Dr. Meghnad Joshi (Associate Professor Department of Stem Cell and Regenerative Medicine, CEO, StemPlus Biotech, Pvt Ltd., Sangali, MH), Dr. Ashwini Jadhav, Assistant Professor (Department of Stem Cell and Regenerative Medicine), Dr. Mayakannan Krishnan, Assistant Professor (Department of Medical Physics) have delivered expert talks related to theme of workshop which is "Workshop on Good Laboratory Practices". Ms. Shital Kale, Overseas Visiting Doctoral Fellow, SERB, India and PhD scholar in CIR have shared her experience from Chonnam National University (CNU), South Korea related to Good Laboratory Practices.*

*The program was conducted online on Zoom platform as well as offline at CIR and was open to participants from the all departments of University and others. The brochure and Google Feedback form were prepared by Dr. Shivaji B. Kashte, organizing secretary of the event and gave them a wide publicity on social media platforms such as Whatsapp, Telegram, Facebook, LinkedIn etc.*

*The program started at 12:00pm on 6<sup>th</sup> February 2021. Prof. Dr. C. D. Lokhande, Dean, CIR and Research Director and chairman of the program, inaugurated the event, introduced the speakers and highlighted the importance of "Workshop on Good Laboratory Practices". Dr. Shivaji Kashte introduced the first speaker Dr. Meghnad Joshi (Associate Professor Department of Stem Cell and Regenerative Medicine, CEO, StemPlus Biotech, Pvt Ltd., Sangali, MH). Dr. Meghnad Joshi discussed the various aspects of Good Laboratory Practices related to the biological labs with highlights on Animal cell culture and Animal experimentations, Stem cells experiments and regulations, etc. The next talk was delivered by Dr. Ashwini Jadhav, Assistant Professor (Department of Stem Cell and Regenerative Medicine). Dr. Ashwini Jadhav explained how important the Good Laboratory Practices are in the field of biology with highlights*
