Dr. Rakesh Kumar Sharma M.D., Ph.D., F.M.A.G.S., M.A.M.S.
Vice-Chancellor

We are very proud and happy to share the story of our sports journey this past year.

The 2024-25 Sports Report of D. Y. Patil Education Society (Deemed to be University), Kolhapur, celebrates the hard work, courage, and great achievements of our students and sports teams.

This year has shown us what sportsmanship really means—working hard, staying strong, and supporting each other. Our students have shown incredible passion and determination, making us all proud and inspiring everyone around them.

Our teams competed with bravery and dignity, whether in tournaments against other colleges or overcoming challenges that came their way. Every win and every moment of determination reflects the core values we believe in—teamwork, dedication, and always trying to do our best.

A big thank you to our coaches and sports staff. Their support, guidance, and hard work have helped our athletes grow into champions. Without their help, none of this would be possible.

As we look back at a successful year, we also look forward with hope and energy. Sports bring us together, teach us about inner strength, and help shape us into better people. These are the lessons we will carry forward.

To all the students, athletes, coaches, staff, and supporters—your passion and effort have made this year special. Thank you for your support and spirit.

Let's continue working together to reach new heights and create more proud moments. Here's to more success, teamwork, and inspiring athletic moments ahead!
